HIGHER EDUCATION IN HUNGARY

- > **Hungarian higher education has been a home of academic excellence for more than 600 years.**
Today, there are 66 higher education institutions in Hungary, ranging from small universities of applied sciences to top research universities.
- > **The degree structure of tertiary education is based on three cycles** (*Bachelor's, Master's, Doctoral*), in accordance with the objectives of the Bologna process.
- > The **European Credit Transfer System (ECTS)** is the only existing credit system in Hungary, facilitating the recognition of learning achievements and qualifications in many countries throughout the European Higher Education Area.
- > **Hungarian higher education institutions** are active in international cooperation, offering a number of **double and joint degree programmes, R&D projects, and academic partnerships** within Europe and throughout the world.
- > **The objective of the government is to increase the number of inbound** (25 000 to 40 000) **and outbound** (10 to 20%) **students** in higher education.
