Enclosure: As stated

Chulabhorn Graduate Institute – ASEAN Foundation

Joint Post-graduate Scholarship Program in Science and Technology

(Academic Year 2019)

The Chulabhorn Graduate Institute (CGI) and the ASEAN Foundation (AF) have entered into an agreement to develop highly qualified human resources in the area of science and technology within ASEAN member countries through the Chulabhorn Graduate Institute - ASEAN Foundation Post-graduate Scholarship Program in Science and Technology.

The CGI is a multidisciplinary post-graduate academic institute established in 2005, under the initiative of Professor Dr. Her Royal Highness Princess Chulabhorn Mahidol. The aim of CGI is to employ the most recent interactive teaching techniques used in world leading educational and research institutions to train trainees in the program to be effective thinkers and leaders in their field of expertise, to better serve their countries' needs towards sustainable development. The CGI is presently offering programs leading to Master's degree in Applied Biological Sciences: Environmental Health, Environmental Toxicology, and Chemical Biology.

The ASEAN Foundation, an initiative of the Leaders of the Association of Southeast Asian Nations (ASEAN), was established on 15 December 1997 to help bring about shared prosperity and a sustainable future for the peoples of all ASEAN countries. It has been mandated to promote greater awareness of ASEAN and greater interaction among its peoples and to increase participation in ASEAN activities as well as to undertake development cooperation activities that enhance mutual assistance, address equitable economic development, and reduce poverty.

This year, 8(eight) scholarships are available for ASEAN nationals (except Thai citizen) who are interested to pursue a Master Degree at the CGI. Selection of successful applicants will be based on merit.
