

EURAXESS ASEAN Flashnote

EURAXESS Member in Focus: the Netherlands

Research and Innovation in the Netherlands

The Dutch research environment stands amongst the best in the world. All 14 Dutch universities are ranked in the top 200 of Times Higher Education Rankings. A [study commissioned by the European Commission](#), in relation to the Europe 2020 strategy, places the Dutch research system among the very best in terms of openness, excellence and attractiveness. Read an overview of the research and innovation landscape in the Netherlands [here](#).

Netherlands: PhD positions in water science and technology. Call opening in September 2016

Wetsus is looking for excellent and highly motivated candidates with interest in water science and technology having an MSc degree in microbiology, chemistry, (applied) physics, bio-technology, chemical engineering, electronics, mechanical engineering, or related disciplines.
